The ICE-600 is a distributed 600kW high-power yet compact DC Fast charger, designed for ultra high power charging of up to 10 EVs simultaneously.

Effective connectivity to power distribution network ombination of different power rating inverters. Inverters are connected to the medium voltage (MV) power distribution network either centrally or in ...

The 600kW three-phase inverter demonstrates system-level power density and efficiency obtained by using by using six of Wolfspeed's XM3 half-bridge power ...

HBOWA uses top-class grade A lithium iron phosphate battery ...

ecification Sheet EvoCharge Power Cabinets are used with EvoCharge Power Stations and distribute charging power to as many as 6 or 8 charging outputs (charge ports) simultaneously depending on ...

Our modular cabinet design and dynamic power management feature ensure over 99% availability. Choose Kempower for smart, user-friendly and highly reliable charging, while optimizing your business.

Find reliable 600kw solar inverters for efficient power management. Shop our range of advanced hybrid and off-grid inverters for commercial applications.

The National Highways Type 600 Cabinet is designed to house and protect motorway communication and roadside equipment. Manufactured and designed ...

The PowerBase is a robust energy storage system on a steel frame with the footprint of a standard ISO 20-foot container. It comes pre-wired and pre ...

With >99% uptime and built-in system redundancy, the CAB1000 ensures your critical operations run smoothly, minimizing downtime and potential revenue ...
