Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes.

The All-in-One Energy Storage System by Huijue Group seamlessly integrates a solar inverter and a lithium battery, delivering an efficient and reliable new energy solution.

With the 80KWh HV Lithium Battery Rack, you can control production and energy consumption. Set your preferences to optimize your energy independence, ...

Huijue's Energy Cabinet for industrial, commercial & home use. Combining efficiency, safety, and scalability, it meets your power needs with optimized usage and real-time monitoring.

Research, development and manufacture of battery energy storage systems for a wide range of residential, commercial, industrial and renewable energy ...

High Capacity and Flexibility: Available in 50Kwh, 80Kwh, and 100Kwh capacities, our cabinet caters to diverse energy storage needs, making it an ideal choice for large-scale commercial energy storage ...

High voltage 120 KWh battery cabinet This is high voltage storage battery for all applications suitable for systems with flexible modular system and parallel connection.

Huijue Group specializes in providing customized energy storage solutions to clients worldwide, particularly in the areas of commercial energy storage, containerized energy storage and energy ...

This project combines high-capacity lithium battery storage, advanced hybrid inverters, and next-generation PERC solar panels to provide clean, reliable, and cost-effective power in a region ...
