Efficient and stackable, Upgrade your power storage solution with our 100V-400V Lifepo4 stackable battery and inverter, free expansion of voltage and capacity.

AMPHERR IS THE NEW DEFINITION OF CURRENT IN THE WORLD OF ELECTROMOBILITY. WITH OUR NEW PRODUCT LINEUP, YOU WILL FIND ...

We specialize in manufacturing and exporting lithium-polymer batteries, lithium-ion batteries, LiFePo4 rechargeable batteries, rechargeable batteries for 3C ...

EGbatt 400V 200Ah LiFePo4 Lithium battery 80kwh HV ESS - the ...

The LG RESU16H Prime is a high-capacity, high-voltage lithium-ion battery designed to provide efficient and scalable energy storage for residential ...

This small high voltage lithium battery system could be used as ...

Maximise your energy independence with the SolarEdge Energy Bank, a high-voltage 9.7kWh battery. Designed for seamless integration with SolarEdge ...

The SolarEdge Home Battery 400V sets new standards for system efficiency, safety, and ease of use - making it an essential part of any SolarEdge ...

This 400V industrial and commercial energy storage battery is specifically designed for medium-sized enterprises and facilities. It adopts a high-voltage platform to enhance energy efficiency and reduce ...
