We're an electric only house, and use a rather staggering amount of energy as we have two EVs. We average 60 - 70 kWh / day. I feel we'd get a lot of mileage out of some large battery ...

The Fogstar Drift app is free to download on both Android and iOS. The most popular Lithium battery brand on the UK market, our Drift ...

But how do these batteries compare in performance, reliability, and value to household names like Tesla? In this Fogstar batteries review, we'll explore the specifications, ...

The entire Fogstar Drift range features high quality, matched and balanced LiFePO4 cells, a JBD Battery Management System (BMS), and Bluetooth connectivity for control and monitoring via ...

So, I finally shelled out nearly £400 on my first ever lithium battery !! Replacing the AGM's will hopefully be a game changer!! #vanlife #fogstar #fogstardri...

Fogstar kept me informed at every stage and were most apologetic. The battery was delivered well packaged and exactly as described. I just fitted it, adjusted van settings to ...

At Fogstar, we believe that everyone should have access to reliable, ...

The Drift delivered top-tier hardware at a fraction of the going rate, and it quickly became a bit of an off-grid cult hero. But tech never ...

LifePO4 batteries all have a good lifespan but unlike lead, you can easily kill them completely. Ecoworthy are basically the cheapest you can get, and come with a fairly simple ...
