Our technology, scale, and expertise make CAP-XX a leader in supercapacitor innovation. Our supercapacitors are capable of delivering 2000% more power ...

Engineered to replace traditional batteries, the HCAP provides both high power for engine starting and sustained energy for long-duration backup--all in a single, ...

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type ...

Musashi Energy Solutions develops and sells LICs in shape of laminate-cell, prismatic-cell, and in module. Musashi Energy Solutions" lithium-ion capacitor ...

Welcome to our technical resource page for Lome Supercapacitor Module Manufacturer! Here, we provide comprehensive information about solar inverters, photovoltaic inverters, energy storage ...

Maxwell Technologies leading global supplier of ultracapacitors. Backup Power + Regenerative Power + Burst Power + Quick Charge + Cold Starting.

In the next two years, 200 new ultracapacitor buses will be launched on the streets of Shanghai.

We are the top manufacturer of chip capacitors in China. Currently our products are widely used on automotive, consumer electronics and industry areas. We are ISO9001:2015 and IATF16949 certified ...
