AZE's All-in-One Energy Storage Cabinet & BESS Cabinets offer modular, scalable, and safe energy storage solutions. Featuring lithium-ion batteries, smart BMS, and thermal management, they're ideal ...

Highly integrated, next-generation modular data center solution. Designed for modern environments, the MDC EDGE offers a complete, compact data center that's ready to operate in no time. Rapidly ...

Discover our high-efficiency, modular battery systems with zero capacity loss and rapid multi-cabinet response. Ideal for industrial, commercial, and emergency ...

Vertiv EnergyCore cabinets are optimized for five minutes end-of-life runtime at 263kWb per each compact, 24" wide (600mm) cabinet, and operate ...

With wide temperature adaptability and low maintenance needs, these systems deliver consistent, efficient energy storage performance in even the most demanding environments.

Vertiv EnergyCore cabinets are optimized for five minutes end-of-life runtime at 263kWb per each compact, 24" wide (600mm) cabinet, and operate across a wide temperature range, making ...

House everything you need to run your business or edge computing location in a neat, enclosed cabinet. EdgeRacks eliminate the need for messy IT or ...
