Congratulations on finding NACA and taking the first steps to making a better life situation for yourself and your kids. This program will be worth the wait, I promise.

It's like a cya for naca to say we provided you the tools to show you exactly why you are able to afford this amount. It's a visualization for you and it helps your MC determine whether ...

I am starting my NACA journey and am very excited. Went to the Purchase Workshop. Just uploaded all my docs and set an appointment for next month. I have a question on rental ...

The 80% of median income restriction is accurate, but it is only part of the story. If your income is above 80% of the median income for your metro (MSA), then regional purchase limits ...

After (my realtor, his broker, the NACA approved title company here in Houston, TX, my boyfriend and myself) have spent an entire week going back and forth with the sales rep who ...

Wow. My wife and I had gone through NACA a couple of years ago and we were looking at going through it again and it looks like the rules have been completely updated (very recently too). ...

How long does it take to get the official clearly to close? We got the clear to close from the underwriter today but was told that it's not the official one. We have already eaten up our ...

Hello! I got word from my MC yesterday that my file is "under review for clear to close." How long does it typically take to get the initial CTC disclosure from the time of submission? Starting to ...

@nelson does work and rental have to be verified again while going through credit access? I had these verified a second time about a month-ish ago. As far as lender conditions, I had ...

I was recently submitted to underwriting, and my MC told me to check my webfile for updates on underwriter

# Naca 0012 airfoil lift coefficient

conditions, where would I look for those? I don't see anywhere in my file with ...
