For the products, Each set solar power system has power on& off test 100 times per hour.Each step of production is under strict quality control. Our products are ...

The Growatt 80kW On-Grid Solar Inverter delivers strong performance, smart energy conversion, and advanced safety features that make it well suited for business applications, institutions, factories, and ...

Ensure 24/7 power with solar + storage, AI hybrid inverters, and monsoon-resistant hardware. Features the G3 Series (8-20kW) with 10-year warranty, ...

Ultra-High Efficiency: Achieves over 99% maximum efficiency, ensuring exceptional solar power conversion and reduced energy loss. Wide Voltage Range: Operates efficiently across a broad ...

This 12V lithium iron phosphate (LiFePO4) battery offers a compact yet robust energy storage solution. Designed for efficient power management, it is suitable for various applications, including off-grid ...

Feroze Power Limited is a leading renewable energy solutions provider in Pakistan, delivering premium solar power systems, wind energy solutions, and advanced battery energy storage systems for ...

The NitroX 80KW 3P Hybrid inverter delivers unparalleled performance tailored for high-demand industrial and commercial solar applications. Engineered with advanced unbalanced output support ...

The INVT XN Off-Grid Inverter is a high-performance, single-phase inverter designed for residential and commercial solar applications in Pakistan. Engineered for regions with unreliable or no grid power, it ...

The Growatt 80kW On-Grid Solar Inverter is perfect for residential and commercial solar systems. his sleek, modern design guarantees a easy installation and gives a remote monitoring capabilities on ...

Pakistan 80kW integrated power generation solar and storage device

The Sofar 60K/80KTLX-G3 Three-Phase on-Grid Inverter is an ideal choice for commercial solar installations in Pakistan. Available in 60 kW and 80 ...
