-----

Our Sunbox cabinet series given its design, finishing and sealing is specially designed for solar photovoltaic, thermal, wind installations and outdoor areas with extreme climatic conditions of rain, ...

Protect your solar batteries with weatherproof, outdoor-rated, and explosion-proof enclosures. Perfect for outdoor 12V battery installations and residential or industrial solar systems.

Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need ...

With EXpressure, hazardous explosion pressure resulting from an explosion escapes safely, controlled by the patented grid system. As a result, EXpressure ...

Our practical, durable cabinets are manufactured from aluminum, and lined with CellBlock's Fire Containment Panels. CellBlockEX provides both insulation and ...

Outdoor power cabinets, DC power systems, batteries, rectifiers, radio enclosures, and equipment racks for telecommunications equipment backup and protection, site optimization, power protection, and ...

These systems are the finest complete stand-alone solar electric systems designed for industrial, oil & gas, mining, and telecom applications that can be approved for Class I, Div. 2 hazardous locations.

AKRON FOUNDRY CO.

The SunWize Power UPS Cabinets are targeted for battery backup system applications. These white powder-coated aluminum enclosures feature hinged, key lockable doors with dust covers on locks ...

Battery Energy Storage Systems (BESS) have become, in a few years, an unparalleled solution to remedy the intermittency of certain renewable energies, such as wind farms and photovoltaic solar ...
