State Grid Corporation of China Microgrid

The State Grid Corporation of China (SGCC), commonly known as the State Grid, is a Chinese state-owned electric utility corporation. It is the largest utility company in the world. As of March 2024, State Grid is the world's third largest company overall by revenue, behind Walmart and Amazon, and is also the largest government-owned company by revenue. In 2023 it was reported as h...
