Started 1947 in Japan, ELNA group is global capacitors manufacturer providing wide spectrum from ceramic, film, electrolytic and super caps with revenues over \$300 million.

Shandong Goldencell Electronics Technology Co., Ltd. is a leading manufacturer of lithium-ion batteries and also offers supercapacitors, highlighting their ...

Find high power energy storage solutions with Tecate Group. We offer various ultracapacitors, capacitors & custom power solutions for any application.

A capacitor is a passive device on a circuit board that stores electrical energy in an electric field by virtue of accumulating electric charges on two close surfaces insulated from each other. This is a list of known capacitor manufacturers, their headquarters country of origin, and year founded. The oldest capacitor companies were founded over 100 years ago. Most older companies were founded during the AM radio era, which includes the World War II era and post war era. As the demand for advanced electronics con...

Musashi Energy Solutions develops and sells LICs in shape of laminate-cell, prismatic-cell, and in module. Musashi Energy Solutions" lithium-ion capacitor ...

Mouser is an authorized distributor for many supercapacitor and ultracapacitor manufacturers including Cornell Dubilier, Eaton, Elna, KEMET, KYOCERA AVX, Maxwell, Vishay & more. Please view our ...

This section provides an overview for lithium-ion capacitors as well as their applications and principles. Also, please take a look at the list of 12 lithium-ion capacitor manufacturers and their company rankings.
