Today, Tesla's Solar Roof is leading the charge with an innovation of its own: cutting out the middle step between building ...

Tesla Shanghai Co., Ltd., a subsidiary of the electric automaker, was formally established 8 May 2018. In July 2018 Tesla CEO Elon Musk signed an agreement with the Shanghai regional government to build its third Gigafactory, and the first in China. In part due to the good relationship Musk had built with the government, it was permitted to be structured as a wholly owned subsidiary of Tesla and not operated as a joint venture with a Chinese company, the first time the government had allowed such an arrange...
