Shop confidently for your next wellington 12v solar container system knowing that our selection is curated to align perfectly with your needs.

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to ...

FTMRS SOLAR specializes in photovoltaic power generation, solar energy systems, lithium battery storage, photovoltaic containers, BESS systems, commercial storage, industrial ...

Discover solar panel containers with LiFePO4 batteries, IP65 protection, and MPPT controllers. Ideal for hybrid energy storage systems.

A shipping container humming quietly near Wellington's waterfront, powering an entire film set through the night. No diesel fumes, no noise complaints - just clean energy on tap.

We have deployed Solar Power Container units at three of our mines and the results have been outstanding. The ease of transportation and short installation time saved us weeks of downtime.

Whether you're powering a solar farm or a tiny off-grid cabin, Wellington's containers offer scalable solutions that'll make your energy setup hum like a well-oiled machine.
