At Get Off Grid, we offer a range of high-efficiency solar products to meet Zambia's unique energy needs. Our solar panels, inverters, and batteries provide ...

Across all solar categories, from panels & inverters to batteries and accessories

We supply solar products to installers, EPCs, and resellers in Zambia. As a leading solar distributor, we offer top-tier brands at competitive prices and technical support to help you scale faster and deliver ...

The 60kw off grid hybrid solar inverter is a pivotal component in modern solar energy systems, designed to provide a seamless transition between solar power and other energy sources.

Off-grid and on-grid solar PV: hybrid inverters, batteries, grid-tie with export limiters, design & installation.

Deye full series string inverter supports VSG application. When grid failure, the string inverter is able to work with diesel generator directly without any additional EMS device.

Experience energy independence with our off grid solar kit, delivering seamless integration of solar panels, combiners, batteries, solar controllers and inverters for reliable power generation in off grid

Main Products: off Grid Inverter, LiFePO4 Lithium Battery, Pure Sine Wave Inverter, Solar Charge Controller, Energy Storage Battery, PV Combiner Box, AC-DC Battery ...

Given Zambia's ongoing energy shortages, off-grid solar inverters are highly suitable for the majority of Zambia users. As a professional Chinese manufacturer of solar inverters, Xindun ...
